We started the process of setting up Cities4Children Alliances in 3 countries:
- Colombia, led by Hill
- Kenya, led by Green Flag
- Bangladesh, led by Save the Children in Bangladesh

The chapter leads are currently identifying all organisations working on making cities better for children and young people. If you are one of these organisations and want to join the alliance in Bangladesh, Colombia or Kenya, please fill your details out here: https://lnkd.in/esU4FHMS

Exposición infantil a la contaminación atmosférica en microambientes escolares y espacio público

¿Cómo monitoreamos el impacto de la contaminación sobre la infancia? ¿Qué estrategias podemos usar para mitigarlo y garantizar el derecho al aire limpio?

Moderadora
Luisa Fernanda Grajales.
Directora ejecutiva de Low Carbon City.
Co-fundadora de Jóvenes y ODS.

Panelistas

Luis Jorge Hernández
Uniandes - Grupo SEP
Redes escolares de monitoreo de calidad del aire en Bogotá.

Jessica Kisner
World Resources Institute
Programa de electrificación de buses escolares en Estados Unidos.

Karla Vargas
Fima
Infancias expuestas a contaminación atmosférica, vulneración del derecho a un aire limpio.
